

**REMARKS/ARGUMENTS**

Claims 14-22 stand in the present application. In the Office Action, the Examiner has rejected all of claims 14-22 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-13 of U.S. Patent No. 5,959,307. In order to overcome the Examiner's double patenting rejection, Applicants have filed the attached Terminal Disclaimer. Accordingly, in view of Applicants' timely filing of the Terminal Disclaimer in this case, it is respectfully submitted that all of claims 14-22 are now in condition for allowance. An early notification to that effect is earnestly solicited.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
